Disclainer:

- * All NotoCon components, parts, and switches are shown in optional locations. Each matercycle model may vary, requiring variation of actual component
- * Switches are displayed in this schematic as optional hardware.

 * Alternote installation methods include a turn-key system in which the power switch is eliminated and the MotoCam system is hard wired to the motorcycle's
- Hardwiring components directly to vehicle battery system may also be eliminated. allowing for independent battery powered systems.
